ENERGY

SMARTER ENERGY. TOTAL COMFORT.

COMFORT, THROUGH EVERY SEASON.

From hot afternoons to cool nights, Reclaim Energy Wall Split systems give you the flexibility to create the comfort you want - when and where you want it.

WHOLE-ROOM COMFORT

Comfort that reaches where you need it. Gentle Breeze mode and smart airflow let you tailor how air is delivered across the room, helping create comfortable heating and cooling throughout your space.

ADAPTS TO YOU

Fast when you need it. Quiet when you don't. Turbo mode helps bring your room to temperature quickly, while Sleep mode provides quieter, more comfortable operation overnight - adapting comfort to the way you live.

SMART, SIMPLE CONTROL

Wi-Fi connectivity puts scheduling and control at your fingertips, while a 24-hour timer, five fan speeds and switchable LED display make everyday operation simple. App control plus Google Assistant and Amazon Alexa support give you even more flexibility.

BUILT TO RUN EFFICIENTLY

Comfort without unnecessary energy use. Inverter technology, AI energy-saving control and Eco mode work together to help manage energy use while maintaining comfortable heating and cooling.

DESIGNED FOR EASIER UPKEEP

Less fuss. Fresher comfort. Air purification, an easy-clean design, auto-clean function and clean reminder help make ongoing care simpler while supporting cleaner indoor air.

A SIZE FOR EVERY SPACE

From bedrooms to large living areas. With six capacities from 1.7 to 8.2 kW, there's a Reclaim Energy Wall Split system to suit different rooms and different needs throughout your home.

1.7 | 2.6 | 3.5 | 5.3 | 7.2 | 8.2 kW
